

LUSEAUX®

PREMIUM TRUCK WASH

INDUSTRIAL FORMULA WASH POWDER

GENERAL DESCRIPTION: This powdered detergent was designed to remove dirt and road grime from all types of vehicles. Use Truck Wash to clean lube bay floors and machinery and equipment. Can be used in brush and steam machines. Safe for all automotive surfaces

ADVANTAGES:

- Removes dirt and road grime
- Cleans floors in lube bays
- Can be used to clean machinery and equipment
- Suitable for brush and steam machines
- Safe for all automotive surfaces

PROPERTIES:

Color	Pink
Odor	Odorless
Form	Powder
Solubility	Appreciable

APPLICATION: To make a liquid mix add one pound of Premium Truck Wash to 5 gallons of water. This may be adjusted according to application. For hand washing of vehicles, mix ½ gallon of liquid mix to 5 gallons of water. For plastics, leather and upholstery spray solution from bottle onto surface and rinse thoroughly. For cold pressure and brush machines, mix one pound of Premium Truck Wash to 5 gallons of water. Adjust as soil conditions warrant. For steam and hot pressure devices, mix one pound of Premium Truck Wash with 5 to 30 gallons of water depending on soil load. For floors and walls, mix ½ pound of Premium Truck Wash to 5 gallons of water. Use a brush and rinse thoroughly.

CAUTION: Eye irritant. May cause burning or itching skin. Harmful if swallowed. For eye and skin contact flush with water for 15 minutes and consult a physician. Always wear goggles and gloves when handling. KEEP OUT OF REACH OF CHILDREN.

PACKAGING: 400 lb Drum

Always consult the MSDS sheet for any hazardous ingredient information, precautions for safe handling and use, health hazard data, or other information regarding this product.
